

In fact, Westlake Christian School was one of just two private schools in Florida and 50 private schools throughout the entire Nation to receive this distinction. Their integrated spiritual and educational approach is providing students the building blocks of a successful education foundation.

As Westlake Christian School proudly raises the Blue Ribbon flag on its campus, may those in our community and across the Nation be reminded of the good work done there daily and look to this school as a model of exemplary educational practices.

A TRIBUTE TO HONOR THE LIFE
OF MATTHEW PATRICK
MANOUKIAN

HON. ANNA G. ESHOO

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2012

Ms. ESHOO. Mr. Speaker, I rise today to honor the extraordinary life of the always faithful Captain Matthew Patrick Manoukian, United States Marine Corps. Captain Manoukian made the ultimate sacrifice on August 10, 2012, giving his life for his country during his service in Afghanistan. He was 29 years old.

Captain Manoukian was a lifelong resident of Los Altos Hills, California, and graduated from Saint Francis High School in 2001. Since the age of 10, it had been Matthew's goal to become a Marine. Shortly after graduating from the University of Arizona in 2005, he attended Officer Candidates School in Quantico, Virginia. After commissioning as a Second Lieutenant into the Marine Corps, he joined Camp Pendleton's 1st Marine Special Operations Battalion after enduring a grueling training program that only 40 of 100 men passed. Captain Manoukian was in the top five.

Captain Manoukian rose through the ranks and was deployed twice to Iraq and twice to Afghanistan, always at "the tip of the spear." He saw his role in Afghanistan as freeing the oppressed from the Taliban and bringing a fair legal system to a country that has never had one. He also had a deep respect for Middle Eastern cultures and history, learning to speak Arabic, and insisting on walking through villages, greeting children and their parents in person, instead of patrolling in a Humvee.

Captain Manoukian was completing his fourth tour of duty in Afghanistan and had plans to attend law school after completing his military obligation. He had already been accepted at Golden Gate University where he planned to begin his studies in 2014.

On a fateful early morning on August 10th during a predawn Ramadan meal that Captain Manoukian insisted his troops respectfully observe during the Muslim holy month, an insurgent dressed as an Afghanistan police officer opened fire and took his life, and the lives of two other fellow Marines.

Captain Manoukian is survived by his father, Santa Clara County Superior Court Judge Socrates "Pete" Manoukian; his mother, Patricia Bamattre-Manoukian, Associate Justice of the Sixth District California Court of Appeal; brothers Michael and Martin; and the extended Manoukian and Bamattre families.

Mr. Speaker, I ask my colleagues to join me in extending our deepest condolences to Cap-

tain Manoukian's beloved family. We celebrate his life and his accomplishments, and we are proud to honor his memory in the U.S. House of Representatives. Our nation has lost a beloved citizen who made his community proud and his country stronger. His life enriched ours and may our tribute be a source of comfort to his beautiful family during their time of great grief.

IN RECOGNITION OF THE BOROUGH
OF ATLANTIC HIGHLANDS, NEW
JERSEY

HON. FRANK PALLONE, JR.

OF NEW JERSEY

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2012

Mr. PALLONE. Mr. Speaker, I rise today to recognize the borough of Atlantic Highlands, New Jersey on their 125th anniversary celebration. Atlantic Highlands and its citizens, with their hard work, dedication, and commitment to community, personify the quintessential American spirit.

Founded in 1887, the borough of Atlantic Highlands was originally part of Middletown Township. However, during the latter part of the 1800's, the area that is currently known as Atlantic Highlands was beginning to gain the attention of local businessmen and vacationers for its scenic landscape and proximity to Raritan Bay and the Atlantic Ocean. After its incorporation as a borough in 1897, Atlantic Highlands began to develop steadily. Steam ship and rail service were the source of major transportation in the area, with steam ships bringing vacationers to the borough from New York City and the surrounding area. In 1940, the municipal harbor was completed, which allowed the borough to accommodate significantly more travelers and vessels, which increased access to the borough.

Today, the borough remains a destination for travelers and vacationers, as well as home to more than 4,300 residents. The municipal harbor is the largest on the east coast, with the ability to accommodate upwards of 700 vessels. Offering high speed ferry service since 1992, the harbor and its ferry service serves as a scenic and convenient method of mass transportation for commuters traveling to New York City. The local businesses and business owners in the borough take great pride in their ability to provide great destinations for their local community and vacationers to enjoy. The citizens of Atlantic Highlands, along with the leadership of Mayor Fred Rast III and the borough council, make the Borough of Atlantic Highlands a truly great place to live, work, and visit.

Mr. Speaker, please join me in leading this body in congratulating the borough of Atlantic Highlands, New Jersey on their 125th anniversary. I take great pride in having the opportunity and responsibility of representing the borough and its citizen's interests here in Washington DC.

IN RECOGNITION OF THE UNIVERSITY OF TEXAS AT EL PASO

HON. SILVESTRE REYES

OF TEXAS

IN THE HOUSE OF REPRESENTATIVES

Friday, September 28, 2012

Mr. REYES. Mr. Speaker, I rise in recognition of the achievements and success of two programs at the University of Texas at El Paso (UTEP). The Master of Business Administration (MBA) Program and the Reverse Transfer Program are being recognized by Excelencia in Education.

Excelencia in Education focuses on accelerating success for Latino students at the associate, baccalaureate, and graduate levels. Since 2005, Excelencia has honored programs and departments at the cutting edge of increasing and improving academic achievement for Latinos.

UTEP's Reverse Transfer Program, honored by Excelencia as a finalist, allows transfer students to earn their final credits at UTEP, and then have those credits sent back to El Paso Community College to fulfill the balance of the associate degree requirement. This program increases the graduation rates at El Paso Community College, and increases UTEP's retention rate, which results in improving access to higher education for all students.

UTEP's Master of Business Administration Program, honored by Excelencia as an awardee, serves over 400 students from more than 20 countries from a variety of backgrounds. The MBA program was recognized for the third year in a row as the number one program for Hispanics in the Nation by the Hispanic Business Magazine. The program reflects Excelencia in Education by blending quality graduate education and affordability.

I want to personally congratulate UTEP's Master of Business Administration and Reverse Transfer programs for their recognition, which is a testament to the hard work and dedication of faculty, administration, and students. I look forward to the continued success of UTEP, and I am honored to represent this outstanding institution.
